Subject: Legacy Update

Hi There Alpine Friends and Family,

I hope your summer has been a time to refresh and allow the Lord to do a new work in you, even though things are probably not exactly like you had planned or hoped in 2021.

Although we do not yet have an announcement on the sale of the Alpine property, we know that God is in control and he will use this process for his glory. Things are definitely moving closer to a sale, and we will update you when that happens.

Just a reminder that we will be having a Legacy Gathering on Labor Day Weekend - Sept 4-6th. Saturday and Sunday 11-7 and Monday 11-5. We hope you can come up for the day, and if not we are working on some virtual ways to connect as well (you'll receive another update as we get closer).

We have contracted with a caterer to provide BBQ pulled pork sandwiches and all the fixins' for lunch (12:00-3:00) each day. There is on program planned, this will be a time to connect with other campers and staff, make some traditional camp crafts, the Branch gift shop will be open, and you will be able to walk down memory lane looking through old photos, brochures, and echoes. Unfortunately, we will not be able to offer overnight housing. We are also putting together a memory book, which you can do during the event or feel free to mail (Alpine PO Box 155, Blue Jay, CA 92317) or email notes and photos to alpinelivinglegacy@gmail.com

If you are able to attend - we would also love for you to fill out the google form so we can make sure to plan accordingly.

Lastly, we started another Legacy Shirt campaign with Bonfire. Here is the link if you would like to order. The payment, printing, and shipping goes through Bonfire - we will not have Legacy items at the event.

Thank you for all your prayers and support during this last year and a half - words cannot express how much it has meant knowing that there is a network of folks praying!
