Service of Dedication

Conference Superintendent: We have assembled this day to set apart this beautiful mountain property to be a Christian service and training camp ground. We believe God has put it into our hearts to purchase and develop this site and we know that the Lord has guided our minds and strengthened our hands for this task. His Spirit has moved our hearts to bring the grateful tributes of our substance to be used for the glory of God and the salvation and blessing of men, for the instruction of children and youth in the truths of the Christian faith and the promotion of Christian character.

We esteem this beautiful mountain retreat a gift of the love of God to us and our children, and with joyful hearts we desire to consecrate this to its sacred purpose.

Being prospered by the good hand of the Lord our God to finish the work which we were called to do:

People: We now, the people of the Covenant Churches within the California Conference, grateful for our heritage, sensitive to the sacrifices of our fathers, consecrate anew to this common task, do now with gratitude and joy solemnly dedicate this
